Dual Lifting Cream with Squalane, Matrixyl, Renoavage & Micro Algae Extract

Congratulations on your purchase of Bellahut’s Dual Lifting Cream. This cream is made from non-animal stabilized hyaluronic acid which is a pure plant-based form of hyaluronic acid. Products of this quality tend to have a cost of nearly three to four times more than the Bellahut Price. All of our creams and serums are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

Directions: Apply on cleansed and toned skin either day or night. Use as often as needed.

Put a dab of cream on your finger and gently massage into the desired area. Keep in mind this cream can be used on both face and body.

(Optional) As a precursor you can use any of Bellahut’s Hyaluronic Acid Serums previous to apply this cream.

Key Ingredients:

Squalane is a natural rich ingredient from the deep sea and is also a secret weapon in the fight against aging, it delivers the needed nutrients into the various depths of your skin and restores the natural protective barrier at skin surface, locking moisture within while keeping skin disease free.
 There are several benefits of Squalane

- Boosts Cell Regeneration and Oxygenation
- Helps prevent formation of age spots and reduce the appearance of wrinkles
- Helps skin to retain moisture and Heals chapped /cracked Skin
- Antibacterial Properties
- Imparts relief to dehydrated and ultra-sensitive skin
- Softens the most rough-textured skin and leaves no oily residue
- Helpful in counteracting conditions of eczema, psoriasis, and post-operative skin

Matrixyl aka Palmitoyl-Pentapeptide-3, is the trade name for a pentapeptide produced by a French supplier to the cosmetics industry. Proven in clinical studies to improve wrinkle appearance more rapidly than Retinol. The use of Matrixyl has been shown to reduce the appearance of fine lines, wrinkles, age spots. Matrixyl is one of the most effective raw materials available to the cosmetic scientist for anti-aging products.

Renovage is a comprehensive anti-aging peptide. Renovage (Teprenone) works on the origin of youth and targets the cell components that ensure lifespan and youth. It improves tissue quality and can extend cell lifespan by one third! Teprenone fights against all signs of aging by improving dehydration, age spots and ineffective barrier function. Teprenone improves skin moisture, redness and pore size, skin roughness and fine lines in 75 to 100% of the test persons. The overall texture of the skin improved and restored to a more youthful state.

Micro Algae Extract is a high-purity algae extract from micro algae (Nannochloropsis oculata) combined with pullulan, a film-forming natural sugar (glucan) from the fungus A. Pullulans. Contains vitamin C & B12 as antioxidants Immediate skin tightening effect and also long-term effect by protecting skin cells from oxidative stress & strengthening skin’s connective tissue by stimulating collagen synthesis & renewal of tissue cells, also retains moisture.

Caffeine To facilitate fat loss and reduce fatigue, intended to reduce puffiness around the eyes and excess fat under the chin and neck areas.

Soy Extract soy isoflavones are most potent of the antioxidant phytoestrogens; supports elasticity and firmness, helping keep skin soft and flexible as is needed when rebuilding damaged collagen.

Vitamin E Penetrates deep into skin to fight against free radicals and other contaminants that are both inside and outside your body. Reduces wrinkles caused by pollutions or UV exposure.

Wild Yams Act as a natural peptide that mimics dehydroepiandrosterone (DHEA) in the skin, can reduce body fat and improve skin tone and moisture, it is a powerful anti-inflammatory that helps speed tissue regeneration resulting in normalization of damaged skin.

Ingredients: De-Ionized Water, Palmitoyl Pentapeptide-3, Hyaluronic acid, Renovage aka Teprenone (geranylgeranone GGA), Cucumis Sativus (Cucumber) Fruit Extract, Vitis Vinifera (Grape) Fruit Extract, Chamomilla Matricaria Flower Extract (Chamomile), Camellia Sinensis (Japanese Green Tea) Leaf Extract, Quaternized Wheat Protein, Ganoderma Lucidum (Mannentake Mushroom) Extract & Lentinus Edodes (Shiitake Mushroom) Extract. Cautions: Although rare, should you experience any irritation discontinue use of this product. Bellahut’s hydrating creams hydrate so well that it is possible to overhydrate. Overhydration can cause small bumps on the skin. If this occurs, stop using this product for three days and your skin should return to normal. You may start using again at a reduced rate, we recommend every-other day, at this point.
