

**Triple Rejuvenating Eye Gel with Eyeliss**

Congratulations on your purchase of Bellahut’s Triple Rejuvenating Eye Gel. This gel is of the highest quality and contains concentrated quantities of peptides for quick and dramatic results. Similar products of this quality tend to have a cost of nearly three to four times more than the Bellahut Price. All of our creams and serums are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

**Directions:** Apply on cleansed and toned skin. Bellahut recommends using this product twice daily for best results.

Put a pea sized amount of gel on your finger and gently massage into the skin underneath the eye area.

**Key Ingredients:**

**Eyeliss** contains three peptides, Hesperidin Methyl Chalcone, Dipeptide Valyl-Tryptophane and Lipopeptide Pal-GQPR. Clinical studies have shown it to be very effective in reducing under eye puffiness, dark circles and bags and in tests, 70% of users showed a vast improvement in less than 2 months.

- **Hesperidin Methyl Chalcone** is a natural ingredient derived from flavonoid hesperidin found in citrus fruits like grapefruit and oranges. This rather newly discovered ingredient helps to strengthen capillaries and veins as well to improve lymphatic drainage and circulations which tones the delicate under eye area.
- **Dipeptide Valyl-Tryptophane** is a peptide that promotes the drainage of fluid that collects under the eye creating bags and puffiness.
- **Lipopeptide Pal-GQPR** is another peptide that decreases inflammation, improves skin elasticity and firmness, and reduces fine lines and wrinkles.

**Ingredients:**

Deionized Water, Dimethicone, Butylene Glycol, Caprylyl Methicone, Hyaluronic Acid, Eyeliss (Hesperidin Methyl Chalcone, Dipeptide Valyl-Tryptophane, Lipopeptide Pal-GQPR ), Glycerin, Pyrus Malus (Apple) Fruit Extract, Oryza Sativa (Rice) Bran Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Helianthus Annuus (Sunflower) Extract, Tocopherol, Polysorbate 20, Xanthan Gum, Corn Starch, Dimethicone Copolymer, Ammonium Acryloyldimethyltaurate-VP Copolymer, Sodium Gluconate, Phenoxyethanol, Caprylyl Glycol, Hexylene Glycol, Ethylhexylglycerin

**Cautions:** Although rare, should you experience any irritation discontinue use of this product. Keep out of reach of children.

<b>Triple Illuminating Eye Gel with Haloxyl</b>		
<p>Congratulations on your purchase of Bellahut’s Triple Illuminating Eye Gel. This gel is of the highest quality and contains concentrated quantities of peptides for quick and dramatic results. Similar products of this quality tend to have a cost of nearly three to four times more than the Bellahut Price. All of our creams and serums are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!</p>	<p><b>Key Ingredients:</b></p> <p><b>Haloxyl</b> is is a synthetic ingredient made to reduce dark circles under the eyes and studies have shown an improvement between 19% and up to 45%. In some cases, in the complete reduction of dark circles has been accomplished. This product is specifically targeted to treat one of the most chronic under eye issues, dark eye circles.</p> <p>During extensive experiments of the most effective treatments of this specific indication, scientist found that the association of two matrikines: Pal-GHK and Pal-GQPR with N-hydroxysuccinimide (NHS) and a flavinoid: Chrysin was the most effective combination to eliminate dark circles and inflammation. During testing large percentages of volunteers displayed reduction in all b-, b+, a-, and a+ color ranges. Pal-GHK and Pal-GQPR reinforce firmness and tone of the eye area. Chrysin and N-hydroxysuccinimide activate the elimination of blood originated pigments responsible for dark circle colour and local inflammation.</p>	<p><b>Ingredients:</b></p> <p>Deionized Water, Dimethicone, Butylene Glycol, Caprylyl Methicone, Hyaluronic Acid, Haloxyl (N-Hydroxysuccinimide, Chrysin, Palmitoyl Tripeptide-1, Palmitoyl Tetrapeptide-7), Glycerin, Pyrus Malus (Apple) Fruit Extract, Oryza Sativa (Rice) Bran Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Helianthus Annuus (Sunflower) Extract, Tocopherol, Polysorbate 20, Xanthan Gum, Corn Starch, Dimethicone Copolymer, Ammonium Acryloyldimethyltaurate-VP Copolymer, Sodium Gluconate, Phenoxyethanol, Caprylyl Glycol, Hexylene Glycol, Ethylhexylglycerin</p>
<p><b>Directions:</b> Apply on cleansed and toned skin.
