Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!</p>	<p>Key Ingredients:</p> <p>Aldenine aka Tripeptide-1, is also a part of Hilurlip, with two protein peptides (hydrolyzed soy and wheat protein) making an amazing lip wrinkle smoother and photoaging preventer (protect skin cells from UVA induced DNA damage and also prevent photoaging, thus improving the skin’s appearance.)</p> <p>Decorinyl is a tetrapeptide that helps to regulate fibrillogenesis and the growth of collagen fibrills causing improved skin cohesion for a more flexible and resilient appearance. This ingredient helps the skin to regain suppleness, increased tone and helps mature skin to look younger.</p> <p>Hyaluronic acid is a naturally occurring acid found in the extracellular matrix of human tissue. Topically applied, hyaluronic acid forms an air permeable layer and penetrates into the dermis thus boosting the elasticity by affecting the collagen levels and increasing hydration of the skin.</p> <p>Matrixyl 3000 is an amazing collagen builder and is the trademark name for palmitoyl pentapeptide-3, one of the powerful peptide molecules found in the latest generation of high-end anti-wrinkle skin care products. This breakthrough ingredient stimulates collagen production in the skin and can even give BOTOX® injections a run for their money in the anti-wrinkle department. Matrixyl becomes even more effective when combined with other peptides. The researchers reported, “A highly significant reduction in the deep and moderate wrinkles was obtained on the side treated with 3% Matrixyl. At the conclusion of the study, the surface area occupied by deep wrinkles was reduced by mean of 68%. The surface area occupied by moderate wrinkles was reduced by mean of 51%.”</p>	<p>Ingredients:</p> <p>Deionized Water, Aloe Barbadosis Leaf Juice, Glyceryl Stearate, Persea Gratissima (Avocado) Oil, Simmondsia Chinensis (Jojoba) Seed Oil, Vitis Vinifera (Grape) Seed Oil, Glycerin, Butyrospermum Parkii (Shea Butter), Aldenine® (Tripeptide-1), Hyaluronic Acid, Decorinyl®, Matrixyl® 3000, Caprylic/Capric Triglyceride, Squalane/Olea Europaea (Olive) Fruit Oil, Stearic Acid, Cyclopentasiloxane, Tocopherol (Vitamin E), Cetyl Alcohol, Phenoxyethanol and Caprylyl Glycol (Optiphen®).</p>
