**Bellahut's Peel Off Rubberizing Mask Powder
Pearl & Collagen**

<p>Congratulations on your purchase of Bellahut's Peel Off Rubberizing Mask Powder. This mask powder is of the highest quality and contains concentrated quantities of peptides for quick and dramatic results. All of our creams, gels and serums are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!</p>	<p>Key Ingredients:</p> <p>Pearl powder has great antioxidant properties to help protect the skin from everyday environmental skin concerns. Pearl has at a minimum, 30 trace minerals and 8 essential amino acids, which help prevent the development of melanin. Melanin is a compound that leads to pigmentation issues, freckles, liver spots and uneven skin tones.</p> <p>Collagen is a protein that is a major component of connective tissues in our skin. It is responsible for providing your skin with structure. This protein helps to keep your skin firm and wrinkle free when high amounts are present. When we are young, our bodies have high levels of collagen but as we age our collagen levels decline. As our collagen levels decline our skin becomes wrinkled as the structure is compromised and there is not enough collagen to maintain skin firmness. Replenishing collagen is the key to helping your skin keep its young appearance and reduce wrinkles. Another well-known benefit of collagen in skin care is its ability to promote vibrant and glowing skin.</p>	<p>Ingredients: Diatomaceous Earth, Zea Mays Starch, Glucose, Algin, Calcium Sulfate, Tetrasodium Pyrophosphate, Magnesium Oxide, Hydrolyzed Collagen, Hydrolyzed Silk, Pearl Peotein.</p>
<p>Directions: Apply on cleansed and toned skin. Bellahut recommends using this product twice a week for best results.</p> <p>Spread mask evenly on skin. Let sit for 20 to 30 minutes. Rinse off. Exfoliate weekly to help with absorption.</p>		<p>Cautions: Although rare, should you experience any irritation discontinue use of this product. Keep out of reach of children.</p>
