**Bellahut’s Peel Off Rubberizing Mask Powder  
 Hyaluronic Acid**

Congratulations on your purchase of Bellahut’s Peel Off Rubberizing Mask Powder. This mask powder is of the highest quality and contains concentrated quantities of peptides for quick and dramatic results. All of our creams, gels and serums are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

**Directions:** Apply on cleansed and toned skin. Bellahut recommends using this product twice a week for best results.

Spread mask evenly on skin. Let sit for 20 to 30 minutes. Rinse off. Exfoliate weekly to help with absorption.

**Key Ingredients:**

**Hyaluronic acid** is a naturally occurring acid found in the extracellular matrix of human tissue. Topically applied, hyaluronic acid forms an air permeable layer and penetrates into the dermis thus boosting the elasticity by affecting the collagen levels and increasing hydration of the skin.

**Ceramides** is considered the glue that helps your skin cells stay tight and close together. Ceramides help hold skin together by forming a protective layer that limits moisture loss and protects against visible damage from pollution. A great antioxidant for your skin.

**Hydrolyzed silk and pearl protein-** Hydrolyzed Conchiolin Protein (Pearl) and silk protein derived by acid, alkaline, enzyme or other method of hydrolysis. Conchiolin is a protein that is contained in the inner layers of sea shells and pearls. Both help binding the calcium carbonate crystals together thereby giving the shell strength and structure. It is a valuable ingredient for skin care products.

**Ingredients:**

Diatomaceous Earth, Zea Mays Starch, Glucose, Algin, Calcium Sulfate, Tetrasodium Pyrophosphate, Magnesium Oxide, Hydrolyzed Collagen, Hydrolyzed Silk, Hyaluronic Acid, Ceramides, Pearl Protein.

**Cautions:** Although rare, should you experience any irritation discontinue use of this product. Keep out of reach of children.
