Bellahut's Collagen Gel Facial Mask
Hyaluronic Acid & Green Tea Polyphenols (Green Tea)

Congratulations on your purchase of Bellahut's Collagen Facial Mask. This mask is of the highest quality and contains concentrated quantities of peptides for quick and dramatic results. All of our creams, gels and serums are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

Key Ingredients:

Hyaluronic acid is a naturally occurring acid found in the extracellular matrix of human tissue. Topically applied, hyaluronic acid forms an air permeable layer and penetrates into the dermis thus boosting the elasticity by affecting the collagen levels and increasing hydration of the skin.

Green Tea is a powerful antioxidant. It also has strong skin-soothing properties and has been known to show a significant improvement of skin damaged by the sun. Green tea also works as an anti-inflammatory and antimicrobial agent which has been shown to improve acne and oily skin conditions. Green tea contains an ample amount of Vitamin B2 and Vitamin E which are both essential for healthy skin.

Ingredients:

Water, Aloe Barbadensis Leaf Juice, Sodium Hyaluronate, Green Tea Polyphenols, Glycerin, Ceratonia Siliqua Gum, Tocopheryl Acetate, Hydrolyzed Collagen, Polysorbate 80, Disodium EDTA, Potassium Sorbate.

Directions: Apply on cleansed and toned skin. Bellahut recommends using this product twice to three times a week for best results.

Place the mask on your face. Make sure the mask is applied evenly on the skin. Let sit for 20 minutes. The mask will reduce thickness from 2mm to 1 mm. Remove mask and discard.

Cautions: Although rare, should you experience any irritation discontinue use of this product. Keep out of reach of children.
