Congratulations on your purchase of Bellahut's Collagen Facial Mask. This mask is of the highest quality and contains concentrated quantities of peptides for quick and dramatic results. All of our creams, gels and serums are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

Directions: Apply on cleansed and toned skin. Bellahut recommends using this product twice to three times a week for best results.

Place the mask on your face. Make sure the mask is applied evenly on the skin. Let sit for 20 minutes. The mask will reduce thickness from 2mm to 1 mm. Remove mask and discard.

Key Ingredients:

Lavender has been known to help lessen acne, lighten skin and reduce wrinkles. Combined with collagen this mask provides baby soft skin with intense hydration properties as well.

Collagen is a protein that is a major component of connective tissues in our skin. It is responsible for providing your skin with structure. This protein helps to keep your skin firm and wrinkle free when high amounts are present. When we are young, our bodies have high levels of collagen but as we age our collagen levels decline. As our collagen levels decline our skin becomes wrinkled as the structure is compromised and there is not enough collagen to maintain skin firmness. Replenishing collagen is the key to helping your skin keep its young appearance and reduce wrinkles. Another well-known benefit of collagen in skin care is its ability to promote vibrant and glowing skin.

Ingredients:
