**70% Hyaluronic Acid Serum with Matrixyl Synthe'6 and Q10  
 Cellular Turnover Serum**

Congratulations on your purchase of Bellahut's 100% Hyaluronic Acid Serum. This serum is made from non-animal stabilized hyaluronic acid which is a pure plant-based form of hyaluronic acid. Products of this quality tend to have a cost of nearly three to four times more than the Bellahut Price. All of our creams and serums are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

**Directions:** Apply on cleansed and toned skin either day or night as often as needed.

Put a few drops of serum on your finger and gently massage into the desired area. Keep in mind this serum can be used on both face and body.

(Optional) Follow up with any of Bellahut's Hyaluronic Acid Creams or the cream of your choice.

**Key Ingredients:**

**Hyaluronic acid** is a naturally occurring acid found in the extracellular matrix of human tissue. Topically applied, hyaluronic acid forms an air permeable layer and penetrates into the dermis thus boosting the elasticity by affecting the collagen levels and increasing hydration of the skin.

**Matrixyl S6** is a wonderful addition to the Matrixyl family of peptides. This peptide focuses on stimulation of six major contents of the skin. Collagen I, Collagen III, Collagen IV, Fibronectin, Hyaluronic Acid and Laminin-5. Studies have shown collagen type I had increased by 105%, collagen type III had increased by 104% and collagen type IV had increased by 42%. When applied as a crow's feet treatment studies have shown a reduction in wrinkles by over 16% and when applied as a treatment for wrinkles on the forehead studies have shown a reduction in wrinkles by 32%. The best thing is that this peptide treats the skin differently than Matrixyl 3000 and Matrixyl so they can be used with each other in order to create very effective wrinkle fighting creams, serums and other skin care products.

**Coenzyme Q10** helps to build the skins collagen levels and increase elastin. As we age the level of Q10 decreases and the ability of our skin to hold its shape is lost causing wrinkles, lines and rough skin. By replenishing this well needed enzyme the skin regains its ability to stay firm, resist wrinkles and reduce existing wrinkles.

**Ingredients:** Glycerin, R.O.Water, Carbomer 940, L-Ascorbic Acid ( VitaminC ), Glyceryl Polyacrylate, Palmitoyl Lys-Thr-Thr-Lys-Ser ( oligopeptide ), Sodium Hyaluronate, Q10, Matrixyl S6 (Palmitoyl Tripeptide-38), Diazolidnnyl Urea, Oil of Olea Europaea, Cyclopentasiloxane, Polysilicone 11, Silica, Cetyl Alcohol, Gynostemma Pentaphyllum Extract, Helianthus Annuus ( Sunflower ) Seed oil, Hesperidin Methyl Chalcone, Dipeptide-2, Hydroxysuccinimide, Chrysin, Hibiscus Sabdariffa Flower Extract, Palmitoyl Oligopeptide, Whey Protein, Steareth-20, Stearic Acid, Polyglyceryl-3 Beeswax, Triethanolamine, Phenoxyethanol.

**Cautions:** Although rare, should you experience any irritation discontinue use of this product. Bellahut's hydrating serums hydrate so well that it is possible to overhydrate. Overhydration can cause small bumps on the skin. If this occurs, stop using this product for three days and your skin should return to normal. You may start using again at a reduced rate, we recommend every-other day, at this point.
