Key Ingredients:

Retinol is a topically applied vitamin A derivative that gives the benefit of speeding cell turn over, boosting collagen production, evening skin tones and brightening skin. Retinol is also known for unclogging pores and helping to reduce the appearance of acne scars and acne in general. Doctors have suggested that nearly anyone over the age of 25 would benefit from the use of retinol in their routine.

L-Ascorbic Acid (Vitamin C) is most commonly known as Vitamin C, a powerful antioxidant that helps to neutralize cell damage of free radicals. It used to fade away dark spots, sun damage and age spots. It is a water-soluble solution that is essential for growth and repair for many parts of the body. Ascorbic acid is an important component for the synthesis of collagen and it also is essential in wound healing and the maintenance of cartilage.
