Beta Glucan Serum

Increases hydration, soothes and calms irritated skin and helps to reduce wrinkles

Congratulations on your purchase of Bellahut's Beta Glucan Serum. All of our creams and serums are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

Key Ingredients:

Beta Glucan are polysaccharide sugars which work to soothe and calm irritated skin as well as being an effective anti-aging and skin plumper ingredient. Beta Glucan is high in antioxidants that help protect against oxidative stress that can cause premature aging. By neutralizing free radicals Beta Glucan helps us to retain our youthful looks. Studies have shown Beta Glucan to also be effective at reducing fine lines and wrinkles.

Ingredients:

Deionized Water, Sodium Hyaluronate, Beta Glucan, Aloe Barbadensis (Aloe Leaf) Gel, Vegetable Glycerine, Cucumis Sativus (Cucumber) Fruit Extract, Chrysin, Pentavitin® (Saccharide Isomerate), Palmitoyl Oligopeptide, NHydroxysuccinimide, Steareth-20, Polysorbate- 20, Carbomer, Phenoxyethanol and Caprylyl Glycol (Optiphen®).

Directions: Apply on cleansed and toned skin either day or night as often as needed.

Put a few drops of serum on your finger and gently massage into the desired area.

(Optional) Follow up with any of Bellahut's Hyaluronic Acid Creams or the cream of your choice.

Cautions: Although rare, should you experience any irritation discontinue use of this product. Keep out of reach of children.
