Stem Cell Crows Feet Eye Serum

Congratulations on your purchase of Bellahut’s Stem Cell Crows Feet Eye Serum. All of our creams, serums and gels are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

Key Ingredients:

DERMAXYL is a peptide that smooths out wrinkles while strengthening the skin’s natural barrier function. Its activity is based on peptide technology and utilizes a Matrikine- Ceramide 2 concept to combat the signs of aging. 75% of the volunteers stated that the product smooths the skin, 52% observed a decrease in wrinkles and crow's feet.

PhytoCellTec (Apple Stem Cells)

preserves the ability to form new epidermal tissue. Young and vital epidermal stem cells can form a complete, multi-layer epidermis in laboratory conditions. When this experiment is conducted on older stem cells, these no longer multiply and no epidermis is formed. These stem cells are depleted and have reached the end of their lifecycle. If Malus Domestica stem cell extract is added to "old" cultivated stem cells, the cells can still generate a stratified epidermis. Under the influence of Malus Domestica stem cell extract, the epidermal stem cells retain their vitality longer and are capable of forming new tissue and renewing the skin.

Ingredients: Organic Aloe Leaf Juice (Aloe Barbadensis), Glycerin, DMAE Bitartrate, Dermaxyl®, Phytocelltec®, (Dimethylaminoethanol Bitartrate), Meadowfoam Seed Oil (Limnanthes Alba), Emulsifying Wax (Cetyl Alcohol, Stearyl Alcohol, Polysorbate 60), MSM (Dimethyl Sulfone), Phenoxyethanol, Vitamin E (Tocopherol), Sunflower Seed Oil (Helianthus Annuus), Organic Blue Green Algae Extract (Aphanizomenon Flos-Aquae), Organic White Willow Bark Extract (Salix Alba), Organic Neem Seed Oil (Melia Azadirachta), Organic Rosemary Leaf Extract (Rosmarinus Officinalis), Organic Sunflower Seed Oil (Helianthus Annuus), Organic Alcohol, Xanthan Gum, Tetrasodium Glutamate Diacetate

Directions: Apply a few drops of serum to your finger. Gently massage into the skin until the serum is evenly distributed and absorbed.

(Optional) Cover with a moisturizer or cream of your choice.

DMAE Bitartrate is a potent, site-specific environmental damaged scavenger that can help improve the appearance of aging skin. It helps revive skin's tone and texture, while vegan OptiMSM™, nature's "beauty mineral", helps give back its youthful, sexy glow.

Cautions: Although rare, should you experience any irritation discontinue use of this product. Keep out of reach of children.
