Stem Cell Face Bright Serum

Congratulations on your purchase of Bellahut’s Stem Cell Face Bright Serum. All of our creams, serums and gels are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

Key Ingredients:

Citrustem is made from orange stem cells and works by organizing the inner structure of the skin for a younger appearance. In facial formulations, it organizes and re-densifies the dermis structure, repairs the extracellular matrix, and improves cellular adhesion. The result is skin that recovers the elasticity it had nearly a decade ago with a softer and more velvety complexion plus a younger appearance. Stem cells are undifferentiated cells found in all multi-cellular organisms. In plants, stem cells are capable of regenerating the entire plant.

L-Ascorbic Acid (Vitamin C) is most commonly known as Vitamin C, a powerful antioxidant that helps to neutralize cell damage of free radicals. It used to fade away dark spots, sun damage and age spots. It is a water-soluble solution that is essential for growth and repair for many parts of the body. Ascorbic acid is an important component for the synthesis of collagen and it also is essential in wound healing and the maintenance of cartilage.

Ingredients:Water/Aqua/Eau, hyaluronic acid, Citrustem® (Orange Stem Cell Culture Extract), VitaminC (L-ascorbic Acid), Hyaluronic Acid, Oryza Sativa(Rice) Extract, Euphrasia Officinalis Extract, Propanediol, Hydrogenated Castor Oil, Trideceth-9, Triethanolmine, Carbomer, Rosa Centifolia Leaf Cell Extract, Rosa Alba Leaf Cell Extract, Rosa Damascena Leaf Cell Extract, Rosa Canina Fruit Extract, Rosa Damascena Flower Oil, Rosa Canina Fruit Oil, Rose Centifolia Flower Water, Commiphora Myrrha Leaf Cell Extract, Adenium Obesum Leaf Cell Extract, Leuconostoc/Radish Root Ferment Filtrate, Glycerin, Allantoin, Aloe Barbadensis Leaf Juice, Sodium PCA, Propylene Glycol, Ethylhexylglycerin, PEG-40, Ethylhexyl Salicylate, Ethylhexyl Methoxycinnamate, Disodium EDTA, Potassium Sorbate

Directions: Apply a few drops of serum to your finger. Gently massage into the skin until the serum is evenly distributed and absorbed.

(Optional) Cover with a moisturizer or cream of your choice.

Cautions: Although rare, should you experience any irritation discontinue use of this product. Keep out of reach of children.
