Stem Cell Face Lift Serum

Congratulations on your purchase of Bellahut's Stem Cell Face Lift Serum. All of our creams, serums and gels are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

Key Ingredients: Malus Domestica, Matrixyl 3000 and Argireline.

PhytoCellTec preserves the ability to form new epidermal tissue. Young and vital epidermal stem cells can form a complete, multi-layer epidermis in laboratory conditions. When this experiment is conducted on older stem cells, these no longer multiply and no epidermis is formed. These stem cells are depleted and have reached the end of their lifecycle. If Malus Domestica stem cell extract is added to "old" cultivated stem cells, the cells can still generate a stratified epidermis. Under the influence of Malus Domestica stem cell extract, the epidermal stem cells retain their vitality longer and are capable of forming new tissue and renewing the skin.

Argireline is a peptide that helps with prevention of wrinkles in the skin. When it is absorbed into the body and the cream's chemical composition causes the facial muscles to contract with less force helping with the reduction of wrinkles. This peptide can be quite effective, and in some cases with just the use of Argireline alone, users have experienced up to a 30% reduction in fine lines and wrinkles.

Matrixyl 3000 is an amazing collagen builder and is the trademark name for palmitoyl pentapeptide-3, one of the powerful peptide molecules found in the latest generation of high-end anti-wrinkle skin care products. This breakthrough ingredient stimulates collagen production in the skin and can even give BOTOX® injections a run for their money in the anti-wrinkle department. Matrixyl becomes even more effective when combined with other peptides. The researchers reported, "A highly significant reduction in the deep and moderate wrinkles was obtained on the side treated with 3% Matrixyl. At the conclusion of the study, the surface area occupied by deep wrinkles was reduced by mean of 68%. The surface area occupied by moderate wrinkles was reduced by mean of 51%."

- Reduction in depth of regular wrinkles up to 29%
- Increase overall Collagen synthesis by up to 117%
- Increase Collagen IV synthesis by up to 357%
- Increase Hyaluronic Acid by up to 267%

Ingredients:

Water/Aqua/Eau, hyaluronic acid, PhytoCellTec (Malus Domestica), Matrixyl 3000 (palmitoyl tripeptide-1 and palmitoyl tetrapeptide-7), Argireline (Acetyl hexapeptide-3), Propanediol, Hydrogenated Castor Oil, Trideceth-9, Triethanolmine, Carbomer, Rosa Centifolia Leaf Cell Extract, Rosa Alba Leaf Cell Extract, Rosa Damascena Leaf Cell Extract, Rosa Canina Fruit Extract, Rosa Damascena Flower Oil, Rosa Canina Fruit Oil, Rose Centifolia Flower Water, Commiphora Myrrha Leaf Cell Extract, Adenium Obesum Leaf Cell Extract, Leuconostoc/Radish Root Ferment Filtrate, Glycerin, Allantoin, Aloe Barbadensis Leaf Juice, Sodium PCA, Propylene Glycol, Ethylhexylglycerin, PEG-40, Ethylhexyl Salicylate, Ethylhexyl Methoxycinnamate, Disodium EDTA, Potassium Sorbate

Directions: Apply a few drops of serum to your finger. Gently massage into the skin until the serum is evenly distributed and absorbed.

(Optional) Cover with a moisturizer or cream of your choice.

Cautions: Although rare, should you experience any irritation discontinue use of this product. Keep out of reach of children.
