**Repairing Facial Spray**

Congratulations on your purchase of Bellahut's Repairing Facial Spray. All of our creams, serums, gels, toners and sprays are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

**Directions:** Lightly mist or spritz onto face and neck. Let sit for one minute. If not dry, pat dry any excess with a clean towel or cloth.

Best used twice daily.

(Optional) Follow up with any of Bellahut's premium creams or serums.

**Key Ingredients:**

**HYALURONIC ACID** - Bellahut's high quality pure grade Hyaluronic Acid cream base is non-greasy and absorbs quickly into the skin. HA is a naturally occurring acid found in the extracellular matrix of human tissue. Topically applied hyaluronic acid forms an air permeable layer and penetrates into the dermis thus boosting the elasticity by affecting the collagen levels and increasing hydration of the skin.

**PhytoCellTec (Apple Stem Cells)** preserves the ability to form new epidermal tissue. Young and vital epidermal stem cells can form a complete, multi-layer epidermis in laboratory conditions. When this experiment is conducted on older stem cells, these no longer multiply and no epidermis is formed. These stem cells are depleted and have reached the end of their lifecycle. If Malus Domestica stem cell extract is added to "old" cultivated stem cells, the cells can still generate a stratified epidermis. Under the influence of Malus Domestica stem cell extract, the epidermal stem cells retain their vitality longer and are capable of forming new tissue and renewing the skin.

**Tripeptide-29** is a chain of amino acids that helps to improve uneven texture in the skin and helps to reverse the appearance of dehydration in the skin. This synthetic peptide consisting of glycine, proline and hydroxyproline is also known to increase fibroblast activity for collagen I synthesis by 400%.

**Ingredients:**

Organic Aloe Leaf Juice (Aloe Barbadensis), Phenoxyethanol, Fine Sea Salt (Sodium Chloride), Hyaluronic Acid, Phytocelltec ( Apple Stem Cell Culture Extract ), Collagen Peptide (Tripeptide-1), Organic Kelp Extract (Ascophyllum Nodosum), Organic Blue Green Algae Extract (Aphanizomenon Flos-Aquae), Organic White Willow Bark Extract (Salix Alba), Glycerin, Tea Tree Leaf Oil (Melaleuca Alternifolia), Polysorbate 20, Organic Alcohol, Tetrasodium Glutamate Diacetate

**Cautions:** Although rare, should you experience any irritation discontinue use of this product. Keep out of reach of children.
