Thank you for being a Bellahut customer!</p>	<p>Key Ingredients:</p> <p>HYALURONIC ACID - Bellahut's high quality pure grade Hyaluronic Acid cream base is non-greasy and absorbs quickly into the skin. HA is a naturally occurring acid found in the extracellular matrix of human tissue. Topically applied hyaluronic acid forms an air permeable layer and penetrates into the dermis thus boosting the elasticity by affecting the collagen levels and increasing hydration of the skin.</p> <p>Matrixyl 3000 is an amazing collagen builder and is the trademark name for palmitoyl pentapeptide-3, one of the powerful peptide molecules found in the latest generation of high-end anti-wrinkle skin care products. This breakthrough ingredient stimulates collagen production in the skin and can even give BOTOX® injections a run for their money in the anti-wrinkle department. Matrixyl becomes even more effective when combined with other peptides. The researchers reported, “A highly significant reduction in the deep and moderate wrinkles was obtained on the side treated with 3% Matrixyl. At the conclusion of the study, the surface area occupied by deep wrinkles was reduced by mean of 68%. The surface area occupied by moderate wrinkles was reduced by mean of 51%.”</p> <ul style="list-style-type: none"> • Reduction in depth of regular wrinkles up to 29% • Increase overall Collagen synthesis by up to 117% • Increase Collagen IV synthesis by up to 357% • Increase Hyaluronic Acid by up to 267% 	<p>Ingredients:</p> <p>Organic Aloe Leaf Juice (Aloe Barbadensis), Phenoxyethanol, Fine Sea Salt (Sodium Chloride), Hyaluronic Acid, Matrixyl® 3000, Organic Kelp Extract (Ascophyllum Nodosum), Organic Blue Green Algae Extract (Aphanizomenon Flos-Aquae), Organic White Willow Bark Extract (Salix Alba), Glycerin, Tea Tree Leaf Oil (Melaleuca Alternifolia), Polysorbate 20, Organic Alcohol, Tetrasodium Glutamate Diacetate</p>
