**Ultimate DMAE & MSM Toner**

Congratulations on your purchase of Bellahut’s DMAE & MSM Toner. All of our creams, serums, gels, toners and sprays are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

**Key Ingredients:**

**HYALURONIC ACID** - Bellahut's high quality pure grade Hyaluronic Acid cream base is non-greasy and absorbs quickly into the skin. HA is a naturally occurring acid found in the extracellular matrix of human tissue. Topically applied hyaluronic acid forms an air permeable layer and penetrates into the dermis thus boosting the elasticity by affecting the collagen levels and increasing hydration of the skin.

**MSM** is found in all living organisms and in the human body it acts as glue to hold together amino acids. MSM feeds the formation of collagen and elastin while preventing and reducing cross-linking between cells which is the primary cause of wrinkles and scar tissue. We've seen reports of MSM eliminating wrinkles, brown spots, spider veins and being an effective acne fighter and acne scar reducer.

**DMAE** is an amazing nutrient that helps to extend the life of cells by inhibiting the cross linking of proteins this gives the skin a tone and firm appearance. DMAE offers anti-aging ability by helping to reduce the appearance of wrinkles, reduce dark circles under the eyes and improve sagging skin by the neck line and jawline. The firm appearance that DMAE provides takes about 20 minutes to occur and usually wears off by the end of the day.

**Matrixyl 3000** is an amazing collagen builder and is the trademark name for palmitoyl pentapeptide-3, one of the powerful peptide molecules found in the latest generation of high-end anti-wrinkle skin care products. This breakthrough ingredient stimulates collagen production in the skin and can even give BOTOX® injections a run for their money in the anti-wrinkle department. Matrixyl becomes even more effective when combined with other peptides. The researchers reported, "A highly significant reduction in the deep and moderate wrinkles was obtained on the side treated with 3% Matrixyl. At the conclusion of the study, the surface area occupied by deep wrinkles was reduced by mean of 68%. The surface area occupied by moderate wrinkles was reduced by mean of 51%."

- Reduction in depth of regular wrinkles up to 29%
- Increase overall Collagen synthesis by up to 117%
- Increase Collagen IV synthesis by up to 357%
- Increase Hyaluronic Acid by up to 267%

**Ingredients:**

Organic Aloe Leaf Juice (Aloe Barbadensis), Glycerin, Phenoxyethanol, DMAE Bitartrate (Dimethylaminoethanol Bitartrate), MSM (Dimethyl Sulfone), Hyaluronic Acid, Matrixyl®3000 (Palmitoyl Tetrapeptide-3), Organic White Willow Bark Extract (Salix Alba), Organic Alcohol, Tea Tree Leaf Oil (Melaleuca Alternifolia), Polysorbate 20, Tetrasodium Glutamate Diacetate

**Directions:** Lightly mist or spritz onto a cotton pad and gently spread toner over your face and neck area. Let sit for one minute. If not dry, pat dry any excess with a clean towel or cloth.

Best used twice daily.

(Optional) Follow up with any of Bellahut’s premium creams or serums.

**Cautions:** Although rare, should you experience any irritation discontinue use of this product. Keep out of reach of children.
