**Bellahut’s Triple Protein Keratin Hair Complex**  
**Helps repair damaged hair, restore split ends and adds sheen.**

Congratulations on your purchase of Bellahut’s Triple Protein Keratin Hair Complex. We pride ourselves on return customers so satisfaction from our customers is key and very important to us.

Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

This is an effective way to formulate your own concentrated Keratin enriched conditioner. By adding one half ounce of this powerful complex to ten ounces of your favorite conditioner you will have taken your favorite conditioner to the next level. With three different proteins to help repair the cuticles of the hair this formulation is a great choice to add an extra silkiness to your hair.

**Application and Usage**

The suggested usage of this additive can be anywhere from 1% to 5%. For maximum prevention of hair damage, we suggest a concentration of 5% for best results. One half ounce per every 10 ounces of conditioner.

1. Apply to cleansed hair.
  2. Lightly massage for 3-5 minutes.
  3. Leave in for 10 minutes then rinse.
- Blow dry hair with low temperatures.

**INCI:** Hydrolyzed keratin protein, butylene glycol, phenoxyethanol, ethylhexylglycerin

**Directions:** Mix this peptide with a cream, gel or serum in order to make your own custom skin care solution. Keep in mind you should only mix this peptide at a **maximum rate of 5%.**

This treatment is good for all hair types and should be use twice weekly for the first few weeks then reduced to once weekly.

**Cautions:** Do not apply undiluted peptides or additives directly onto your hair. This is designed to be added to a formulation at the recommended maximum usage rate or less.

You can use Bellahut's premium cream or gel as your base for your formulation.
