Directions: Mix this peptide with a cream, gel or serum in order to make your own custom skin care solution. Keep in mind you should only mix this peptide at a **maximum rate of 10%**.

Key Ingredients:

Marine collagen helps to increase type 1 collagen levels and can help your skin look firmer. It can increase smoothness while helping your skin to renew and repair cells. By increasing collagen levels in the skin this peptide helps to reduce wrinkles improve skin hydration and firm skin. Studies suggest that marine collagen is about 1.5 times more bioavailable than bovine collagen due to it having a smaller particle size which makes it easier to absorb.

Ingredients:

Marine Collagen

INCI: 100% Marine (fish) Collagen

Cautions: Do not apply undiluted peptides or additives directly onto your skin. This is designed to be added to a formulation at the recommended maximum usage rate or less.

You can use Bellahut's premium cream or gel as your base for your formulation.
