Bellahut’s Phytocelltec – Goji Berry Stem Cell Peptide

Has Anti-Wrinkle Properties, Improves Density In Photo-Aged Skin & Tightens Facial Contours

Congratulations on your purchase of Bellahut’s Goji Berry Stem Cell peptide. We pride ourselves on return customers so satisfaction from our customers is key and very important to us.

Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

Made from the Goji berry, a super fruit, this peptide has the ability to help the skin produce more collagen and increase elastin. It works to reduce wrinkles, add firmness and helps plump the skin and creates an environment within the skin that is most advantages to the regeneration of skin cells.

INCI: Lycium Barbarum Fruit Extract

Directions: Mix this peptide with a cream, gel or serum in order to make your own custom skin care solution. Keep in mind you should only mix this peptide at a **maximum rate of 1%.**

Cautions: Do not apply undiluted peptides or additives directly onto your skin. This is designed to be added to a formulation at the recommended maximum usage rate or less.

You can use Bellahut’s premium cream or gel as your base for your formulation.
