Bellahut’s Phytocelltec – Grape (Solar Vitis) Stem Cell Peptide
Adds Anti-Aging and Antioxidant Properties

Congratulations on your purchase of Bellahut’s Grape Stem Cell peptide. We pride ourselves on return customers so satisfaction from our customers is key and very important to us.

Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

Made from grapes this peptide utilizes the power of stem cells extracted from grapes that originate from the region of Burgundy in France. This peptide serves as a powerful antioxidant that helps to scavenge free radicals. Key features include the ability to protect skin against UV stress, increase the skin's UV tolerance, fight photo-aging and helps keep skin looking healthy.

INCI: Vitis Vinifera (Grape) Fruit Cell Extract (and) Isomalt (and) Lecithin (and) Aqua / Water

Directions: Mix this peptide with a cream, gel or serum in order to make your own custom skin care solution. Keep in mind you should only mix this peptide at a **maximum rate of 1%.**

Cautions: Do not apply undiluted peptides or additives directly onto your skin. This is designed to be added to a formulation at the recommended maximum usage rate or less.

You can use Bellahut's premium cream or gel as your base for your formulation.
