Key Ingredients:

Activated Charcoal works to clean skin by attracting impurities in the skin. Impurities such as heavy metals, dirt, toxins and chemicals are removed with the application of activated charcoal. It is also great for unclogging pores so that your other skin care products can reach their best destination in the dermal layer so they can be the most effective. Activated charcoal is also non-allergenic so no worries about reactions.

Chamomile boasts anti-inflammatory and antioxidant properties the help soothe skin. Chamomile can help reduce redness and blemishes and have been known to help relieve irritations such as eczema, psoriasis and rosacea.

Aloe is a plant which offers benefits including relief from dry skin, damaged or broken skin, sensitive or irritated skin. It also offers anti-inflammatory, antimicrobial and antioxidant properties.

Apple Green Tea a powerful anti-aging polyphenol also works great as an anti-oxidant protecting your skin from damage. Green Tea extracts have been known to show significant promise for improving the appearance of sun damaged skin.
