EGF Upper Lip Serum

Congratulations on your purchase of Bellahut’s EGF Upper Lip Serum. All of our creams and serums are proudly made in the U.S.A. and have been since inception. We pride ourselves on return customers so satisfaction from our customers is key. Please enjoy this product and if you have any questions please contact us at the email address above. Thank you for being a Bellahut customer!

Key Ingredients:

EGF is a polypeptide that has come to the beauty market via the medical industry. EGF was developed to help speed wound recovery and does this by stimulating skin growth at a cellular level and is suspected to increase collagen levels too. In some cases, EGF has had an effect on the reduction of the appearance of acne scars.

Citrustem is made from orange stem cells and works by organizing the inner structure of the skin for a younger appearance. In facial formulations, it organizes and re-densifies the dermis structure, repairs the extracellular matrix, and improves cellular adhesion. The result is skin that recovers the elasticity it had nearly a decade ago with a softer and more velvety complexion plus a younger appearance. Stem cells are undifferentiated cells found in all multi-cellular organisms. In plants, stem cells are capable of regenerating the entire plant.

Hilurlip consists of particles of Sodium Hyaluronate (collagen) which have been micronized to enhance penetration and efficacy. The micro particles of Hyaluronan swell when they come into contact with skin water, producing a long-term plumping effect on the lips. HILURLIP™ contains *Hyaluronic acid* and powerful *Tripeptide-1 GHK* that can significantly plump (line filling) and boost collagen around the lip area. Tripeptide-1GHK also protects the lips against the harmful effects of sun exposure and prevents the loss of collagen elasticity and protects skin cells from photo damage.

Ingredients:

Water/Aqua/Eau, hyaluronic acid, EGF (epidermal growth factor), Citrustem®, Hilurlip®, Propanediol, Hydrogenated Castor Oil, Trideceth-9, Triethanolmine, Carbomer, Rosa Centifolia Leaf Cell Extract, Rosa Alba Leaf Cell Extract, Rosa Damascena Leaf Cell Extract, Rosa Canina Fruit Extract, Rosa Damascena Flower Oil, Rosa Canina Fruit Oil, Rose Centifolia Flower Water, Commiphora Myrrha Leaf Cell Extract, Adenium Obesum Leaf Cell Extract, Leuconostoc/Radish Root Ferment Filtrate, Glycerin, Allantoin, Aloe Barbadensis Leaf Juice, Sodium PCA, Propylene Glycol, Ethylhexylglycerin, PEG-40, Ethylhexyl Salicylate, Ethylhexyl Methoxycinnamate, Disodium EDTA, Potassium Sorbate

Directions: Apply a pea sized amount of cream to your finger then gently massage into the upper lip area. Use as needed.

Cautions: Although rare, should you experience any irritation discontinue use of this product. Keep out of reach of children.
